Professionals with dual monitor setups often struggle with poor posture, eye strain, as well as neck, back and shoulder discomfort. The SmartFit™ Ergo Dual Extended Monitor Arm supports more comfortable monitor placement. Its height-adjustable design allows you to easily raise or lower two monitors to the proper viewing height, promoting improved posture and proper eye alignment. Thoughtfully engineered for stability and versatility, it is a simple ergonomic companion for helping you work more comfortably throughout the day. It can be installed in minutes without tools using a sturdy C-clamp, ensuring a damage-free experience.
