

Lindy 500m Fibre Optic DVI- D Single Link Extender

Model: 38301

Manufacturer: LINDY

EAN: 4002888383011

Product Code: 1600941

R7,299

Easy to set up and install the compact Lindy LC Fibre Optic DVI-D Extender is the most cost effective, high quality solution on the market for sending DVI-D signals over incredible distances. Send DVI-D signals without compression or any degradation over standard LC duplex multimode (50/125µm) fibre cable up to 500m (not included).

The extender system comprises two modules, a transmitter and a receiver, which are connected directly to both the DVI-D source and display. The modules are then connected together using two, standard 'off the shelf' LC Duplex Fibre cable fibre optic cables (not included).
