The LogiLink notebook stand ensures an optimal view on your monitor. The increased screen changes the viewing angle and at the same time the sitting position. The multifunctional and collapsible design helps you to create more working space and makes the stand easy to transport. 7 adjustment levels guarantee the best viewing angle. The aluminum alloy double M design promotes the ventilation flow in an optimal way and can hold your devices safely up to 10 kg. Thanks to the non-slip rubber pads your devices are perfectly protected against scratches and slipping.
