R4,382

"The Equip 650182 17""-35"" Heavy-Duty Dual Monitor Desk Mount Bracket is a robust and versatile solution for organizing and optimizing your workspace. This heavy-duty mount is specifically designed to support dual monitors ranging from 17 inches to 35 inches in size, making it an ideal choice for users who require durability and stability for larger dual-display configurations.

Featuring a sturdy construction, the heavy-duty dual monitor desk mount bracket ensures stability and secure support for monitors with varying weights. The dual-arm design allows for independent movement of each monitor, providing flexibility in positioning and enabling optimal ergonomic arrangements. Whether you're a professional multitasking with multiple applications or a gamer seeking an immersive dual-monitor experience, this mount caters to a variety of needs."
