

Vivolink OPTIC HDMI 8K CABLE 20 meter

Model: PROHDMIOP8K20

Manufacturer: VIVOLINK

EAN: 5704174541769

Product Code: 1602741

R7,915

Vivolinks 8K Optical Fiber Cables are built for professional use to support the most demanding environments and AV installations.

The fiber optic HDMI cables are made to deliver lossless audio and video signals over long distances. The fiber optic technology ensures the most reliable connection and is safe to use where EMI and RFI interference is present.

The Kevlar fibers in the cables makes the cables perfect for rough installation environments. The Kevlar fibers are attached with lock rings in the connectors of the HDMI cables and protects the cables even when pulled with high force in cable runways, in walls and over ceilings.

Features:
