TP-Link VIGI NVR2016H network video recorder Black

Model: VIGI NVR2016H

Manufacturer: TP-LINK

EAN: 4897098683880

Product Code: 1603470

R12,923

Security Never Shuts Down

Every Angle All on One Screen

4K HDMI Video Output & 16MP Decoding Capacity

Sharp image definition up to 8MP (4K) ensures you capture every detail. 8-ch@2MP decoding capacity allows you to enjoy more-channels live view and playback at the same time.†

Reviewing Footage is Faster than Ever

16-Channel Simultaneous Playback*

Replay the feed from up to 16 cameras at the same time, increase replay speed, and find events in the video schedule to easily review footage.

More Compression. More Savings. More Quality.

Without using any extra bandwidth, your cameras transmit compressed crystal-clear video to save

disk space, ease network loads, and reduce monitoring costs without sacrificing image quality.

No Need to Check Long Compatibility Lists

ONVIF Ensures Compatibility

Easily add IPCs from VIGI and other brands to establish a powerful and varied network thanks to barrier-free compatibility. △

Plug & Play.

Allows new and unused VIGI IP Cameras to be added automatically to the new NVR and activated instantly, making installation faster than ever before.

Security for Every Hour and Every Day

27/4 Continuous Recording

Automatically and continuously stores up to 20 TB of footage from connected cameras to secure your data for quick and convenient access.

Two-Way Audio

With voice intercom support, scare off any potential thieves or intruders from wherever you are.

Remote Management

Take full control over your security anytime and anywhere on the VIGI app or client.

Live Views and Real-Time Alerts

Easily check your business security via 24/7 live views. Get notifications as soon as the cameras detect something abnormal.

Easy & Smart Playback

Quickly review and locate certain video clips by event, vehicle, person, time, and more. This will greatly improve event backtracking efficiency and reduce labor costs.

Customized Monitoring Patterns

Based on your monitoring needs, you can freely preset motion zones, adjust the rotation angle, set zoom in & out, customize patrol routes, control patrol routes, and more.

Four-Way Management

Flexibly manage your cameras via the web UI, NVR UI, VIGI app, and VIGI Security Manager for ease and convenience.

One system. Full security.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build — whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
