Whether it's the sweet classic Oreshki (Russian witch hazels) or a savoury version with a hearty filling: the Witch Hazel WAFFLE MAKER with automatic temperature control delivers 24 crispy waffle halves in a matter of minutes, which can then be filled to taste. Ceramic-coated plates and the dough collecting groove ensure easy cleaning, while the heat-insulated cool-touch handle with integrated locking mechanism, the function control light and anti-slip feet ensure safety. Can be stored upright to save space. Recipe ideas can be found in the operating instructions.
