Model: BIGCRABDUALFIX

Manufacturer: CELLULARLINE

EAN: 8018080120411

Product Code: 1604359

R1,118

HUG FLEXI is the in-car holder that wraps around your smartphone on three sides, holding it firmly in place while you drive. Covered in soft scratchproof rubber, it is fitted with support brackets to guarantee maximum stability. The adjustable opening of up to 95 mm lets you insert large devices. Thanks to its supergrip suction cup, it can be easily attached onto the dashboard or glass, ensuring that the holder fully integrates into your car. The flexible arm and 360° rotation allow optimal viewing and positioning of your smartphone.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
