Vertiv Liebert GXT5 Lithium-Ion Online UPS 1500 VA/1500 W 230 V Rack/Tower

Model: GXT5-3000IRT2UXLN

Manufacturer: VERTIV

EAN: 4061471435261

Product Code: 1604442

R93,723

The Vertiv Liebert GXT5 Lithium-Ion UPS protects critical IT applications against outages and various power disturbances. This online UPS offers the highest level of power conditioning and battery backup in server rooms, network closets, and other edge or distributed IT locations. Lithium LFP batteries require fewer battery replacements and last up to 3x as long as traditional VRLA batteries reducing maintenance, labor, and replacement costs (resulting in the lowest TCO). Internal batteries offer industry-leading runtime (up to 14 minutes at full load (varies by model)) to protect critical equipment during an unexpected power loss. They offer better performance at higher temperatures, supports up to 10 times more discharge cycles, and delivers faster recharge times compared to VRLA batteries. Hot-swappable, user-replaceable batteries may increase the useable life of the UPS by allowing you to easily replace the batteries, if needed, without disrupting power to connected equipment.
