Sovereign Presence

The Overlord commands attention with its larger-than-life presence and stately design. Wrapped in sleek PVC leatherette with diamond-quilted stitching, the freedom to rock, recline, and swivel underlies its grandeur. Turning any space into your personal lounge with its expansive size and generous padding, you can relax in both elegance and ease, whether you're gaming, watching a movie, or just living it up as the lord of your domain.

Expansive Size

The Overlord measures 100cm wide and 56cm deep: plenty for whether you're gaming, watching a show or movie, or just relaxing. Put a throw and some cushions on it, and it's a rest station fit for kings.

Body-Specific Support

The Overlord is engineered to optimize support for specific body areas.

Specialized Padding

The mix of premium loose fill siliconized polyester fiber padding and high-density foam of the backrest tempers softness with just the right amount of give. High-density foam and pocket coil springs in the seat ensure firm but pliant cushioning.

Rock, Recline and Swivel

All-in-one trimotion base gives you a wealth of positioning options, by letting you rock, recline and swivel at your leisure. The base is SGS certified and supports a maximum load of 350lbs.

Adjustable Recline

Dial in your preferred recline –

- focused 95°
- neutral 135°
- laid-back 160°
- with a convenient, simple-to-use adjustment switch on the inside of the armrest.
