Up to 90" and 50 kg

Extremely strong: stable construction with dual arm allows the secure attachment of TV sets with a weight of up to 50 kg and a screen diagonal of up to 90"

Ideal for super-flat TVs

Innovatively constructed: the design of the wall bracket is adapted to ultra-flat TVs and is perfect for particularly flat screens such as OLED TVs

Integrated cable management

For a tidy living environment: Cable management guides the cables tidily behind the TV set, avoiding cable spaghetti and saving space. The cable guide also protects the cable against breakage thanks to strain relief

TV mounting with VESA standard

Reliable mounting of TV sets with VESA standard from 200x200 to 600x400

Includes mounting material

Everything included: with the diverse mounting accessories, including high-quality Fischer plugs, you can get started straight away

Drilling template for marking the drill holes

The drilling template means easy marking of the drill holes without having to hold the bracket up against the wall

Including spirit level

Including spirit level for fast and easy mounting
