Environmental Noise Cancelling (ENC)

Improved voice quality when making calls: The wireless office headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone – so your voice comes through crystal clear

Call LED on the microphone

Visible call: sitting down and chatting is no longer a thing as your colleagues will be able to see from the red LED that you are on a call

Voice over IP

Ideal meeting partner: the headset with microphone supports voice over IP, e.g. Teams, Zooms, YouTube, Office Calls, video conferences and more

Wireless headset

For more freedom of movement: wireless headset for a tidy work space with hands-free calling and no cable spaghetti

Multi-device headset

1 headset, 2 devices: whether PC, laptop, tablet or smartphone, you can connect up to two devices simultaneously with the office headset thanks to multi-device

Superb wearing comfort

With memory foam: on-ear headphones with padded earpads and headband for a perfect fit that adapts to your head

Breathable material

Breathable mesh material wicks moisture away from the skin and prevents heat and sweat build-up

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Button control directly on the headset

Buttons on the earpad: control important settings on the wireless headset at the touch of a button – on/off, volume up/down, Active Noise Cancelling, change device

Flip-to-mute function

Flip to mute: simply flip the microphone arm up to mute it, and flip it down to speak in video conferences and online chat

FSC

FSC recycled: The paper, board and carton used for our packaging are made from 100 % certified recycled material
