

# **Bosch GWG 12V-50 S PROFESSIONAL angle grinder 5 cm 15000 RPM 530 g**

Model: 06013A7000

Manufacturer: BOSCH

EAN: 4059952634159

Product Code: 1608014

## **R5,339**

## **Product Highlights**

Thanks to its powerful, high-performance brushless motor and high torque, the GWG 12V-50 S Professional gets all grinding jobs done quickly and easily. Its great ergonomics with an extremely light and compact design with small grip size ensure fatigue-free work, even in tight spaces. The cordless 12V grinder's variable speed trigger switch and 5 speed modes enable perfect speed control for various applications and optimal results.

## **Equipment & Application**

The GWG 12V-50 S is versatile for grinding, deburring, sanding, cleaning, and preparing of surfaces as well as removal of welding seams and welding points, especially on metal. It is compatible with various 50 mm grinding discs available on the market and 6 mm as well as 8 mm collets. It also features an innovative user interface with speed as well as battery charge indication.

## **Additional Information**

Comfortable handling thanks to its innovative spindle-lock enabling an easy exchange of accessories.
