GDE 162 Professional: Further information

Product Highlights

The GDE 162 Professional dust guard is Bosch's practical and universal solution for core drilling large diameters of up to 162 mm. It enables clean and tidy work, reduces cleaning times, and improves the user's safety protection. For high convenience and flexibility, it can be quickly and easily attached directly onto walls, can be adapted for various working positions, and is also suitable for wet use. It is designed for use with the Bosch Click & Clean System.
