

FreedConn RJ-C 121001A 12V, 10A /24V 5A battery charger

Model: RJ-C 121001A

Manufacturer: RJ TIANYE

EAN: 5904921481977

Product Code: 1608872

R1,200

Purpose: Charging, repairing discharged batteries | Number of modes: 4 | Built-in display: LCD | Housing material: ABS | Output voltage: 12V / 24V | Power protection features: Overheating | Power protection features: Protection against reverse connection | Power protection features: Under voltage | Weight: 650 g | Power supply voltage: 100 - 240 V | Backlight display: Yes | Width: 158 mm | Depth: 62 mm | Power protection features: Over power | Power protection features: Short circuit | Power protection features: Over voltage | Frequency: 50 / 60 Hz | Cables included: Cable with battery clamps | Height: 95 mm | Battery capacity (min): 2 Ah | Product colour: Red | Product colour: Black | Power: 180 W | Rechargeable: Yes | Battery capacity (max): 150 Ah | LED indicators: Yes | Built-in flashlight: No | Built-in fan: Yes | Charging current: 5/10 A | Power source type: Power socket | Cables included: AC | Advanced diagnostics: High voltage detection | Advanced diagnostics: Bad battery detection | Advanced diagnostics: Automatically detects sulfation/acid stratification | Advanced diagnostics: Reverse connection | Advanced diagnostics: Battery voltage too low | Supported battery type: AGM / Gel | Automatic repair of a connected battery: Yes | Supported battery type: 24 V lead-acid | Supported battery type: SLA | Set contents: Manual | Supported battery type: 12 V lead-acid |
