- Cabin luggage sized to meet carry-on requirements for most major airlines
- Lightweight durable shell made of quality PC (Polycarbonate) material
- Manufactured using ECO-FRIENDLY RPET polyester made from multiple used plastic bottles that may have ended up as landfill or in the ocean. The equivalent of 2 × 500ml plastic bottles is used in the production of each front part of case.
- Spacious rear compartment with cross straps, perfect for packing clothes and personal items
- The storage space can be expanded by an additional 15% due to the double zippers
- Inner mesh zippered section for shirts or clothing
- Front zipped for your phone and accessories
- Smooth-gliding, 4 double-spinner wheels and a sturdy 3-section aluminum trolley with aluminum tubing
- The TSA combination lock adds extra security for international travel
