

Qoltec 53671 Solar charge controller MPPT 15A for powering DC consumers and charging batteries 12V 24V LiFePO4

Model: 53671

Manufacturer: QOLTEC

EAN: 5901878536712

Product Code: 1608938

R924

Weight: 287 g | Rated voltage: 12/24V | Package height: 43 mm | Substance: Metal | Depth: 130 mm
| Width: 100 mm | Package type: Box | International Protection (IP) code: IP30 | Package weight: 326
g | Maximum power: 195W (12V) / 390W (24V) | Height: 33 mm | Package width: 148 mm | Product
colour: Blue | Rated current: 15 A | Package depth: 110 mm | Warnings: Be careful during installation
to avoid contact with electric current. | Warnings: Keep the unit out of the reach of children. |
Warnings: Avoid exposing the device to direct rain or extreme temperatures. | Operating
