

InLine LSA / LSA + Mounting Tool for solid cable installation

Model: 74200

Manufacturer: INLINE

EAN: 4043718009534

Product Code: 1608995

R806

This inserter enables the termination of LSA modules by automatically cutting off the excess wire in a single operation. A special blade allows the termination modules to be extracted from the housing in the brackets, and a second tool allows the wire of the termination contact to be easily pulled out.
