
InLine flexible cable channel 10m black 10mm

Model: 59947Y

Manufacturer: INLINE

EAN: 4043718297849

Product Code: 1609009

R726

Put an end to clutter in the office, living room or laboratory. The flexible cable duct from InLine® makes it easy to combine several cables, wires and strands into a bundle. With the help of the quick insertion aid, you can bundle several cables in this flexible conduit and shorten the length to the individually required length using scissors or a knife.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
