LENOVO ThinkPad USB4 Dock 5000 - 135W MX

Model: 40BF0135MX

Manufacturer: LENOVO

EAN: 195892150039

Product Code: 1609031

R4,254

The Lenovo ThinkPad 5000 is a versatile docking station designed for efficient connectivity and expansion. With multiple interfaces, it supports a variety of devices. Featuring two DisplayPort interfaces and one HDMI interface, users can easily connect multiple displays with a refresh rate of 60 Hz for smooth video output, catering to diverse multitasking needs. Additionally, the docking station includes four USB 3.2 Gen 2 ports and a USB-C 3.2 Gen 2 port, offering fast data transfer and device charging capabilities, enhancing productivity in any workspace.
Built with a range of compliance standards including FCC, ICES, and KCC, the Lenovo ThinkPad 5000 meets necessary regulations while ensuring reliability. The device operates within a temperature range of 0°C to 40°C, making it suitable for various environments. With a Kensington NanoSaver security slot integrated, users can protect their devices, making this docking station a significant addition to any setup.
