

# **BLOW Automatic Battery Charger 12V/15A LiFePO4 4- 200Ah**

Model: 58-689#

Manufacturer: BLOW

EAN: 5900804159100

Product Code: 1609219

## **R1,128**

Purpose: Repair and fast charging | Efficiency: 98% | Rechargeable: Yes | Product colour: Grey |  
Product colour: Black | Operating temperature (T-T): -30 - 50 °C | Power protection features:  
Overheating | Power protection features: Protection against reverse connection | Power protection  
features: Overvoltage protection | LED indicators: Yes | Power source type: Power socket | Charging  
current: 15 A | Power supply voltage: 100 - 240 V | Charging cable length: 0.67 m | Weight: 625 g |  
Built-in display: Yes | Supported battery type: For Start/Stop systems | Supported battery type: AGM /  
Gel / LiFePO | Supported battery type: Lead-acid | Supported battery type: With liquid electrolyte |  
Power cable length: 1.5 m | Set contents: Cables with clamps | Set contents: Manual | Supported  
battery type: AGM | Supported battery type: Gel | Warnings: Avoid contact of the charger with water.  
| Warnings: Protect the charger from children. | Warnings: Do not dismantle the charger yourself.
