R40,221

The Lenovo Thinkpad L14 Gen 7 is designed for professionals seeking performance and efficiency in a sleek, durable notebook. Equipped with a 14-inch IPS LED display featuring a native resolution of 1920 x 1200 and anti-glare technology, this device ensures a clear and vibrant visual experience whether working in bright or dim lighting conditions. The high-definition audio system, which includes stereo speakers and dual-array microphones with Elevoc Voice technology, provides immersive sound quality for video conferencing and multimedia presentations.

Powered by an AMD Ryzen AI 5 processor with 16 GB RAM and a 512 GB SSD, the Thinkpad L14 Gen 7 delivers fast processing speeds and storage capabilities, making it ideal for multitasking and handling demanding applications. Security features such as a fingerprint reader, IR camera with Windows Hello, and the ThinkShield cybersecurity package help protect sensitive data. With its
