ROG Ryuo IV 360 ARGB White Edition

The ROG Ryuo IV 360 ARGB White Edition features a 6.67-inch AMOLED display with an innovative curved-screen design, enabling intuitive control through dedicated software to smoothly showcase 3D videos, customized content, or real-time hardware information. Cooling performance is driven by the upgraded Asetek Gen8 V2 pump, paired with ROG ARGB fans to deliver significantly advanced and stable thermal performance for high-end CPUs such as the AMD Ryzen™ 9000 and Intel® Core™ Ultra series.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
