

Lanview RWMIP66W09U66 rack cabinet 9U White

Model: RWMIP66W09U66W

Manufacturer: LANVIEW

EAN: 5715063282021

Product Code: 1609718

R14,838

Product Dimensions: 600 x 600 x 505mm

Note: The depth is higher because of the protruding roof, the depth without roof is 400mm (see the drawing for more details)

Colored strips located at the sides of the 4mm, antistatic, tempered, smoothed glass, door having an extruded aluminum frame and high fracture resistance present a decorative view.

In free standing type applications, they may be used with optional pinion feet or caster group.

By attaching ventilation module with 2 fans maximum (in option) to the ventilation hole at the upper chassis of the cabinet, active ventilation is achieved.

If no fan module is attached, these ventilation holes enable air circulation inside cabinet and discharging of the hot air by passive ventilation.

Since the side doors are fixed and not detachable, access to the cabinet is ensured only from the front in wall mounting applications and from the back and front in free standing applications.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
