R2,750

Open new kinds of gaming possibilities!

The versatile Joy-Con offer multiple surprising new ways for players to have fun. Two Joy-Con can be used independently in each hand, or together as one game controller when attached to the Joy-Con grip. They can also attach to the main console for use in handheld mode, or be shared with friends to enjoy two-player action in supported games.

This product contains a user-replaceable battery.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
