R9,024

kMix Special Editions have it all. Bake, whip and knead your way to perfect cakes, creams, breads and much more. Pick from four metallic colours for great performance, bake after bake. It shines, you do too.

You set the speed

Take control. Use the electronic speed range to slowly build speed as and when you need it. For great results at your fingertips. And no clouds of flour when you start.

No mess, no fuss

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The easy way to reduce mess. Fit the splashguard over the bowl to keep your mix in the mixer. Includes a large feed tube to make adding ingredients a quick, clean job.

Customise your kMix

Expand your creativity with our range of optional attachments. Connecting to the slow speed hub, they’ll grate, spiralize, mince, grind, roll pasta, slow juice... all to perfection.
