Professional ironing results thanks to heavy-duty steam power. With this innovative technology you can smooth even the toughest creases fast.

World's first FreeGlide3D soleplate

No more getting caught on buttons and pockets.

Vertical ironing

Its powerful continuous steam makes vertical steaming of curtains and hanging clothes really easy.

Extra large 2 L water tank

Easy to refill, transport and store. Fewer interruptions for refilling, which makes ironing faster.

iMode interface

Select from 4 modes at the push of a button while ironing – you don't even have to put down the iron to set the perfect mode for the job.

Turbo Mode

Turbo mode with maximum steam power and higher temperature for particularly tough ironing jobs. Even the most resistant creases in thick fabrics are removed quickly.

Safe on garment

Safe and gentle on all ironable fabrics regardless of the setting, to avoid any burn or damage while ironing.

The world's first ergonomics certified iron

World's first ergonomics certified iron for maximum comfort and effortless ironing.

EloxalPlus
