Model: INMB200754-CLR

Manufacturer: INCIPIO

EAN: 650450074986

Product Code: 1610912

R1,696

Designed for total protection, the Edge Hardshell is a subtle evolution from the original. Featuring full port, button and indicator light access, we ensured a durable yet extremely lightweight and low-profile silhouette, adding minimal bulk to your device. The matte finish protects against scratches and fingerprints, with an intentional inset accent on the top panel for enhanced grip and comfort.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
