R2,535

The BE-10B-300 joins the Uni Series of CHIEFTEC as a classic small form factor chassis that still offer all the flexibility needed for a modern office desktop PC.
With a total volume of less than 9 liters, this case still supports Slim ODD, m-ATX motherboards and comes pre-installed with a 300W 80PLUS Bronze PSU, as well as an 80mm fan. A total of four USB ports in the front completes the function-ality of the BE-10B-300.
