Elevate your photos

Delight the senses with our Ultra Glossy Photo Paper. This refined paper is designed to give your photos a professional look and feel thanks to its impressive 300gsm weight. With one simple investment, you can elevate your photos to a professional level of quality.

The best partnership

Get fast-drying, smudge and water-resistant photos with vivid colours, beautiful tones and incredible detail when you combine Epson's papers and inks. This paper has been specially developed to work with Epson's range of inks and printers to deliver the best possible quality. That means everything will be as you remember with natural colours, smooth gradations, realistic skintones and more.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Cherish your photos for years to come

Photos may capture a fleeting moment, but rest assured that these papers are designed and tested to offer a long-lasting solution when combined with our printers and inks.

Great for every printer

Our papers produce superb results with other manufacturers' printers and inks so everyone can take advantage of Epson's expertise.
