

Canon CanoScan LiDE 300 flatbed scanner, Black

Model: 2995C010

Manufacturer: CANON

EAN: 4549292119770

Product Code: 1612037

R2,375

Benefit from easy functionality with a straightforward USB connection in CanoScan LiDE 300's compact and affordable package. Complex menus are a thing of the past; 4 EZ operations give you the functions you need at the touch of a button, including scan to email or PDF, copy and Auto Scan, which chooses the perfect settings for you every time. You can reap the rewards of impressive speed (A4 300 dpi scan in 10 seconds) and quality too - receive scans of up to 2,400x4,800 dpi and eliminate distortion with Auto Document Fix and Auto Photo Fix¹ for clear, accurate and pristine results.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
