

D-Link 8-in-1 USB-C Hub with HDMI/Ethernet/Card Reader/Power Delivery

Model: DUB-M810

Manufacturer: D-LINK

EAN: 790069450471

Product Code: 1612518

R1,597

Use one port. Connect to everything.

Instantly add a second display, a dual-slot SD and microSD card reader, a Gigabit Ethernet port, three USB 3.0 ports with one that can Quick Charge, and a USB-C port to your laptop simply by plugging the hub into any USB-C port.

Plug into a reliable docking station. Unplug for instant remote working.

Enjoy a premium docking station experience simply by plugging the hub into a single USB-C port on your computer. You can directly access a private LAN network with Gigabit Ethernet speeds, extend your monitor to a second screen, transfer files from SD cards and USB 3.0 devices, and charge your laptop, all at the same time. Need to work remotely? Simply unplug the hub's single cable and you're ready to go with your laptop.

Ready to transfer your close-ups.

Reliably bulk transfer any files from your SD or microSD card to your computer using the hub's built-in dual-slot SD/microSD card reader. Perfect for quickly downloading camera photos and video footage to a phone, tablet, or computer without using any of your camera's battery power.

Extend your screen to a vivid 4K monitor.

Plug into the hub's HDMI port to instantly mirror or extend your display to a second monitor with vibrant 4K resolution. And full backwards compatibility means you can connect to a 720p or 1080p monitor.

Send power through the hub.

With the Power Delivery feature, you can charge your laptop at the same time as connecting to your USB peripheral devices. Simply connect your USB-C charger to the hub's USB-C port to provide power through the hub and to your laptop.
