An ergonomic mouse especially for small hands with great functions.

As its name already says is this wired mouse suitable for right-handers with smaller hands.The Evoluent4 Right Wired Small has great functions like six programmable buttons, a directly reachable DPI-button to adjust the pointer speed into one of the four different values (800-1300-1800-2600) that suits you best, illuminated Evoluent logo turns off when the system is in power saving mode, and a lip which supports the little finger. Start working with the Evoluent4 Right Wired Small and support your hand in an upright neutral posture that avoids forearm twisting. The Evoluent4 Right Wired Small will provide you with superior comfort during your computer work.

Programmable buttons and easy to use.

The Evoluent4 Right Wired Small is easy to use thanks to its intuitive handling. You can conveniently programme the six buttons on your own with the help of the free download version of the Evoluent Mouse Manager Software. You can program the buttons of your mouse how you personally prefer it. The programmed buttons will certainly make your mouse work more efficient.

Automatic sleep mode.
