CHERRY G80-3000N RGB keyboard Universal USB QWERTZ German Black

Model: G80-3838LWBDE-2

Manufacturer: CHERRY

EAN: 4025112095504

Product Code: 1612863

R1,537

The original – in a new look: The CHERRY G80-3000N RGB TKL is a modern version of the classic which appeared in the 1980’s that’s still in production today. The new G80-3000N RGB builds on its legend. The classic keycaps still have the same shape and the same feel, so why change what is already perfect? What is completely new is the slimmer and much smaller case, RGB lighting and state-of-the-art electronics.

The CHERRY MX Gold Crosspoint precision switches (made in Germany) have a service life of at least 50 million presses per key. High quality manufacturing ensures absolute precision and an inimitable typing feel. But that's not all: Mechanical keyboards have even more advantages. Anti-ghosting and N-key rollover. Impressive RGB lighting in over 16 million colours offers countless lighting options: From animated multi-color effects, to subtle single-color lighting or customizable single-key

illumination – you can give your creativity a completely free rein. A mechanical keyboard not only for gamers, but also an excellent choice for anybody who spends time at their keyboard: programmers, office workers or in the industrial sector. The laser-etched keys are completely abrasion resistant. Durable and reliable with precise input thanks to the MX switches that have been proven over a million times – a keyboard suitable for gaming or professional users alike.
