

# Yealink CP925 IP conference phone

Model: 1304015

Manufacturer: YEALINK

EAN: 6938818308008

Product Code: 1612955

---

## R8,388

---

Next-Gen Design of Ingenuity, Enterprise-grade Performance

## First-rate Audio Quality to Power up Communication

The audio performance of CP925 is powered and enhanced with the built-in 7-microphone array for voice pickup and noise cancellation. Covering a range of 20-foot with 360° omni-direction, the phone is adequate to deliver clear and natural voice conference experience.

## Algorithm of Intelligence, Engineered for Productivity

Diving into the field of audio communication for more than 20 years, Yealink has developed a series of acoustic technology including Smart Noise Filtering, Optimal HD audio and Noise Proof Technology to eliminate all the distracting sounds. With the next-generation technology, the exchange of verbal message can be more productive than ever.
