Fast & multi-touch

Flip Pro delivers industry-best latency at just 26ms*, with prediction logic applied to ensure a realistic, smooth drawing experience with 2,048 point of thickness built directly into the display to unlock creativity. Plus, Flip Pro enables multi-touch for up to 20 people for enhanced interactivity.

Bring ideas to life in an instant

Intuitive writing & drawing

Ideas are brought to life instantly on Flip Pro with pen and brush mode that provides a real-world writing experience, while flexible erasing requires just a swipe of your finger or palm. The quick tool and palette menu ensure creativity flows and toggle button easily enables a new note layer UI.

Stay connected from any source

Versatile connectivity

Flip Pro provides multiple connectivity options, including USB, HDMI and DP. Educators can easily connect any device to access content and display information on a larger screen, as well as connect to any network and other devices through LAN port and wireless screen-mirroring.

One single port for three functions

3-in-1 USB-C port

Connectivity is enhanced with 3-in-1 USB-C connectivity, enabling screen mirroring, touch control and external device charging (max. 15W). Educators can simply connect to the USB Type-C port, allowing them to deliver interactive and engaging lessons without any hassle.

Share with AirPlay 2

AirPlay 2

Flip Pro is integrated with AirPlay 2, allowing educators and students to present on the big screen, increasing visibility and engagement in larger spaces. Creating a wireless dual display setup ensures no student misses out on important information for more collaborative interactions.

Smart, wireless sharing from multiple devices

SmartView+

With SmartView+, up to 50 devices can be simultaneously connected to the interactive display wirelessly, in addition to enabling multi-view on up to four screens. This cable-less screen sharing functionality is ideal for larger meeting rooms as well as digitised classrooms.

Access whatever you need, from anywhere

Workspace

With Workspace secured by Knox, Flip Pro enables users to easily access remote PC, network drive and other third-party applications* such as Office 365, VMWare, Boxlight MimioConnect. This ensures efficiency from any location and an uninterrupted workflow for educators and students.

Optimise lesson planning with embedded learning solution

Boxlight MimioConnect

Flip Pro offers the MimioConnect app*, an online blended learning platform, providing an extensive catalog of versatile learning content available via Workspace. Samsung’s partnership with leading US education solutions delivers innovative education software directly.

Collaborate with ease over video conferencing

Video call applications

Simple, seamless video conferencing* is supported on Flip Pro based on the WebRTC (Real Time Communication) API, without the need for additional solution compatibility. Apps such as Google Duo will be available to users with just a touch for easy, efficient collaboration.

Keep informed with remote management solution

Remote content push

Using Samsung’s MagicINFO Remote Management* solution, Flip Pro offers new functionality that pushes content, alerts and warnings from the school information system to the display. This notifies teachers and students of important updates by pushing them directly to Flip displays in every classroom.

Carefully designed for various use

Slim stand

Flip Pro 55” offers increased working space in front of the display and convenient ways to position and store. Its enhanced, hinge assembly structure enables easy setup and efficient stocking.

Clean screen and minimised damage risk

Protective screen technology

Samsung Flip Pro delivers peace of mind with a built-in Antimicrobial Coating* which inhibits microbial growth. Plus, the Flip’s display is wrapped in a proprietary shatterproof film, ensuring the
