Meet the New MTouch Plus

With a spacious 11.6-inch 1080P IPS screen, the new MTouch Plus offers a remarkable control experience, ensuring enhanced visibility and convenience. The sleek space black design and premium texture make it an ideal fit for your elegant meeting rooms.

Unleash Multi-Screens Potential

With the Yealink MTouch Plus-EXT, you can set up multiple touch panels in the same room for flexible collaboration needs*. This allows participants to control the camera and switch layouts from different areas of the room at the same time.

Share Ideas Freely
