

APC AP7921B power distribution unit (PDU) 8 AC outlet(s) 0U/1U Black

Model: AP7921B

Manufacturer: APC

EAN: 731304331629

Product Code: 1615479

R22,177

This APC Switched Rack PDU power distribution unit has a wide range of standardized PDU features that increase network efficiency, manageability and functionality. The output and input connections are (8)C13. Network management capabilities allow you to configure and manage rack PDUs from remote locations. It has a local current monitoring display that gives a visible warning in case of an overload. The remote individual outlet control provides real-time monitoring of connected loads. It has a multi-tier user access that enables you to restrict unauthorized use of outlets. This rack has a single input power source making it easy to install.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
