Plug & Play And High Compatibility

Designed to work with virtually any USB-C or HDMI device including MacBook Pro and iPad Pro. Instantly turn the USB-C port of your devices into an HDMI port, with no extra installation. And it is compatible with systems including MacOS, Windows, iPadOS, iOS, Android, Linux OS, and Chrome OS.

More Flexible with 100mm Braided Cable

The flexible braided cable can free up more space and do not occupy other port locations for better usage performance.
