

i-tec USB 3.0 USB-C/Thunderbolt 3x Display Metal Nano Dock with LAN + Power Delivery 100 W

Model: CANANOTDOCKPD

Manufacturer: I-TEC

EAN: 8595611705762

Product Code: 1618115

R2,351

A powerful yet small and portable docking station that supports up to three external monitors. The dock can be used with virtually any laptop as it supports connection to all common ports: USB 3.0, USB-C, USB4 and Thunderbolt” 3/4, while supporting all common current operating systems. However, connection to three monitors will only be possible with a laptop with a Thunderbolt 3/4 port or a USB-C port that supports video transfer (USB-C DP Alt mode).

The 5 USB ports, reliable and fast connection to the corporate network thanks to the integrated LAN port and native VGA support all make this docking station the ideal companion for professionals who are often on the road and need to connect even to older monitors and projectors. Of course, it
