Model: GS108E-400EUS

Manufacturer: NETGEAR

EAN: 606449169959

Product Code: 1618224

R1,439

8-Port Gigabit Plus Switch

On top of the plug-n-play Gigabit Ethernet connectivity, the NETGEAR GS108E switch offers essential networking features such as VLAN, QoS, IGMP Snooping, rate limiting, traffic monitoring and more. NETGEAR Plus Switches are an exceptional value for businesses looking to add intelligence to their network beyond what unmanaged switches can provide.
