Model: K58272WW

Manufacturer: KENSINGTON

EAN: 085896582724

Product Code: 1618508

R3,068

An ideal solution for shared workspaces, SmartFit™ Dual Monitor Arm with Crossbar and Handle harnesses the power of gas spring technology to unlock effortless ergonomic control for your dual-monitor setup. Simply grasp the easy-grip handle to smoothly raise or lower your monitors with the lightest of touches. The gas spring makes even the heaviest dual-monitor configurations feel weightless, enabling you to fine-tune ergonomic positioning throughout the day with less physical exertion. With a separate horizontal adjustment for each monitor, achieving the perfect viewing setup is easy. The innovative curved horizontal rail accommodates two side-by-side 32" monitors weighing up to 9kg (19.8lbs) each, together with the C-clamp providing hassle-free installation. Includes a 5-year limited warranty.
