day.
-Larger interactive control panel lets operators do more without leaving the scanner for the host PC.
-Manage multi-feeds, avoid document damage and reduce the need for rescans with Intelligent Document Protection and auto image rotation.
-Control the most complicated workflows on the fly with advanced barcode reading.

Image quality that's close to perfect

Get crisp, clear images even with challenging originals, thanks to the latest Perfect Page image processing technology.

Stay productive with improved document feeding

Spend less time loading documents and more time getting your work done thanks to a 500-sheet input tray and controlled stacking technology.

Easily scan a mixture of documents of different sizes and thicknesses - from business cards to file folders.

It's easier than ever to take control

Easily eliminate interruptions in big multi-batch jobs with simple patch counting and front-side imprinting technology.

Edit, enhance and manage all kinds of documents with KODAK Capture Pro Software Limited Edition.

The family just got faster

At 150 ppm, the new KODAK i4850 Scanner is the fastest of the bunch.

Reliable scanners, reliable support

Choose from a full range of Service and Support contracts to protect your investment and keep productivity at peak levels.
