Model: 133484

Manufacturer: EQUIP

EAN: 4015867225684

Product Code: 1618836

R1,334

The equip® MST hub lets you connect two HDMI monitors to your USB-C computer. MST works on any Windows® device that supports DP Alt Mode over USB Type-C. The USB-C HDMI hub is powered by the USB-C port, so you don't require an additional power adapter.
