fingerprint coating ensures a smoother touch. A reliable solution for pick-up points and kiosks. A proximity sensor turns off the screen when no one is present, an ambient light sensor adjusts screen brightness, and a temperature sensor controls fan speed for cooling, resulting in energy savings and extended product durability. For ease of integration, the ProLite OTF1616MC-B1 can be equipped with optional external mounting brackets (OMK5-1) making it an ideal solution for kiosk integrators, industrial environments, control rooms and interactive multi-media.
