The equip® Power Distribution Unit is a sturdily-built product designed to distribute clear and crisp electricity and meanwhile avoid the damage caused by voltage fluctuations, surges, and spikes. The product is thoroughly tested to ensure the functionality and reliability. Attached with a 1.8m power cord, easy-to-install mechanical design, this is the ideal choice for the 19" cabinet system installation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
