R5,328

Start mixing easily and reveal your DJing skills with Hercules DJControl Inpulse 300 MK2 and its unique BEATMATCH GUIDE feature. Building on the success of DJControl Inpulse 300, you can now enjoy the new DJControl Inpulse 300 MK2 version compatible with Serato. Sporting a new look that’s more modern, more comfortable and more readable, you can learn to mix and make progress quickly thanks to the controller’s 16 pads and 8 modes. Scratch more easily with slimmer, smoother touch-detecting jog wheels.
DJControl Inpulse 300 MK2 is the most full-featured controller to help you learn how to mix with Serato.

SERATO

DJControl Inpulse 300 MK2 includes the Serato DJ Lite software and all of its features. It’s compatible with Serato DJ Pro, so that you can enjoy the maximum number of features.

BEATMATCH GUIDE

Enable the Beatmatch Guide supported by both DJUCED and Serato DJ Lite, to learn how to manually cue up tracks. You can disable this feature once you’ve mastered the moves you need to make.

MORE COMFORTABLE THAN EVER

Improved rubber pads with understated markings: a brighter illuminated area, and better visibility for each pad.

DJ ACADEMY

Learn how to mix with tips from pro DJs.
Easily learn how to mix thanks to incredibly helpful video tutorials made by pros, and get started mixing.
