R11,864

A3 prints from compact model

The compact ET-15000 EcoTank offers A4 print, scan, copy and fax, plus the option to print A3+ from the rear media feed. Additionally, its LCD screen make it easy to print without a PC.

Ultra-low cost

EcoTank can slash ink costs by 90% on average* thanks to its innovative design. It features large ink tanks that completely remove the need for cartridges.

Take on more tasks

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

With fax, a 250-sheet paper tray, print speeds of 17ppm*, double-sided printing and a 35 page automatic document feeder (ADF), you'll be able to speed through a variety of tasks with ease. This printer features the heat-free PrecisionCore printhead, renowned for its speed, quality, reliability and efficiency, and will last the lifetime of the printer.

Print from almost anywhere

With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint and Smart Panel apps*. Also features Ethernet.

Specially engineered for ease of use

EcoTank is more compact and easier to use than ever before. Its front-facing tanks are engineered for mess-free refills and the bottles are designed to only allow the correct colours to be inserted. Thanks to the front ink level display, it's easy to see when it’s finally due for a refill.
