Compact footprint - versatile design

The SC-T5700D is compact, simple and functional. The flat top design means it is easy to proof prints as soon at they are finished. All consumables and media are loaded from the front, so there's no need to move the printer once installed.

Ideal for print shop and enterprise businesses

The SC-T5700D enables anyone to reload media using the automatic loading feature and reprint files from the self-encrypting 960GB SSD2.

Lifetime printhead

Print large quantities of detailed technical drawings or advertising posters, without the need to replace the printhead. Your images will always look professional, precise, and vibrant.
