Made to flex and move with you

Designed with soft rubber, the Sport Band offers a comfortable and flexible fit. Featuring breathable ripples on the inner band to enhance airflow and tone-on-tone stitching for a simple yet modern twist, it helps you feel fresh and at ease — so you can power through every workout.

Train harder with active level comfort

Stay on top of your daily fitness routine with the Sport Band. Whether you're running, swimming, cycling or doing Pilates, its design helps you stay light and comfortable through your day to day.
